

## My Sales Strengths

People are often not aware of their own strengths. They often have a bad angle of vision. I can help them see their strengths. I have helped many people see their strengths. I have helped many people see their strengths. I have helped many people see their strengths.

human

Believe it or not, there are 28 different strengths that can be used in sales. Many of these strengths are not taught in school. Many of these strengths are not taught in school. Many of these strengths are not taught in school. Many of these strengths are not taught in school. Many of these strengths are not taught in school.
